2011-2012 Rules and Regulations

GLOBALORIA Globey Awards

1. All students in Hillsborough County creating educational games are eligible to enter.

2. Winners will be chosen based on
- How well the game-making process is presented (Production quality)
- How well the game represents educational knowledge and facts (Research quality)
- How well the game works (Technical quality)
- How well the game teaches educational content (Content quality)
- How well the game is designed (Artwork & Animation quality)
- How well the team collaborates (Teamwork quality)

3. From registration until submission of final game, demonstrate what you learned via frequent posts on your team page, learning log, and blog. Share your content often to raise your score.
- Judges will evaluate the entire game-creation process by looking at team pages and blogs.
- We encourage submissions made by teams.
- Upload files and post them on your team page and write game details as you go.
- Show how your team's idea became a game!
- Use your blog to reflect on your game topic, teamwork, and game making experience. What are you learning?

4. Follow the Registration, Submission Process and Milestone Dates:
- Upload and embed each milestone on your TEAM PAGE, by the date below, then go to **http://www.globaloria.org/competitions** to alert the judges that your entry is ready.

Registration: Feb 1, 2012
Paper Prototype: Feb 15, 2012
Game Demo: March 16, 2012
Presentation: May 10, 2012
Final Game: May 10, 2012

Prizes:

- **Grand Prize:** Game Designer Kit (Laptop and Adobe Flash Software) for each team member!
- **Finalists:** Passes to local science institutions and other prizes!
